

Application No. 10/623,402  
In Reply to USPTO Correspondence of September 21, 2005  
Attorney Docket No. CS-7890

**REMARKS**

This Amendment cancels claim 10 and adds the limitations therein to independent claim 1. Claims 1-9 and 11-16 remain in this application.

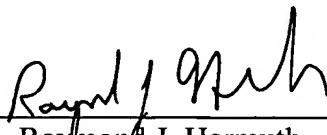

**Allowable Subject Matter**

Claims 1-9 and 11-16 stand rejected under 35 U.S.C. § 112, first paragraph, for not providing enablement for the safening of herbicides in general. However, the Examiner states that claim 10 (directed to specific classes of herbicides) would be allowable if rewritten in independent form. As set forth above, Applicant has canceled allowable claim 10 and has added the subject matter therefrom into independent claim 1. Therefore, claim 1, as amended, is believed to be in condition for allowance. Claims 2-9 and 11-16 depend either directly or indirectly from claim 1.

**Conclusion**

In view of the above amendments and remarks, reconsideration of the rejection of claim 1, and claims 2-9 and 11-16 that depend therefrom, is respectfully requested.

Respectfully submitted,

By   
Raymond J. Harmuth
